

KSSA Summer Camp Arrival Instructions

Downs Sailing Club are very much looking forward to welcoming you to this year's KSSA Summer Camp, however there are a number of events taking place at Walmer over the weekend on the 5th & 6th July. There will be marshals on hand to point you in the right direction however if you follow these simple instructions your arrival and departure should be straight forward.

Saturday

Upon arrival to Walmer please access the green via the track on the right side of the RNLI Lifeboat Station and stop to unload your boat and trailer in the blue square North of the sailing club.

At this point unload anything required from your car and then park on the road or further up Kingsdown road at the Borrow pit car park. Please walk your boat and trailer to the club leaving your Road base/Trailer in the Red Square South of the Dinghy Park.

Sunday

Cars can park on the Green next to the sailing Club and Road base/Trailers stored in the Red Square South of the Dinghy Park.

At the end of the Regatta on Sunday all vehicles will need to turn left along the Beach/Kingsdown road towards Dover, as the A258 Strand will be closed for the Marines Concert on Walmer Bandstand.

Camping

Should you be intending to camp in a tent Saturday night there is a patch of grass along the fence and plenty of shingle available. We would welcome an idea of the number of tents to expect, please could you email the Commodore at commodore@downssailingclub.co.uk if you intend to do so.
